

Local Subway Restaurant Partners with Local Library

The Council Grove Subway restaurant will be partnering with Council Grove Public Library on the 25th of each month (excluding holidays) as a fundraiser for the library. Owner Julie Meehan is wanting to celebrate her father's 71st birthday on January 25th and continue celebrating every month on the 25th by donating \$1.00 from every sandwich sold to the Council Grove Public Library. Julie's father, Michael J. Nickels, is a Vietnam veteran and an avid book reader who loves non-fiction with an emphasis on history. Please visit the Council Grove Subway location on the 25th of each month to benefit two local businesses.
