Happenings at the Herington Public Library:

Thanks for taking time to read the Herington Public Library newsletter. Watch the Facebook page, the library Website and the local newspaper for updates about library happenings.

~ Susan Mueller, Children's Librarian, and Shelly Wirtz, Library Director.

Summer Reading: The library's Summer Reading Program wrapped up on July 3. There were close to 200 participants. Youngsters learned about rainbows, gardening, robots, fireflies and celebrated the Fourth of July with red, white and blue activities. The Milford Nature Center visited with Kansas Wildlife. All the programs focused on the 2025 theme of "Color Our World." Thanks to K-State Research and Extension for visiting with program resources.

Watch for the End of Summer Reading/Back to School Party in August. It will be announced on the library's sign board and on Facebook. The young adult and adult program will conclude Aug. 1. Prizes will be awarded.

Summer Boost Camp: The library cooperated with USD 487 this summer to provide reading enrichment programs at Summer Boost Camp. Special visitors included the K-State Research and Extension Service, the Flint Hills Rural Electric Cooperative Association and Milford Nature Center. Ms. Susan also took baby chicks and gave a lesson about chickens after reading "Chickens to the Rescue."

Fall Story Time: The fun and educational Fall Story Time will begin on Thursday, Sept. 11, and continue through Oct. 30. All sessions will meet at 9 a.m. In the library basement. It's free!

Sunflower Summer Program: Although this program is greatly reduced this year, it is still worth taking advantage of it!

The Sunflower Summer program allows free access to many of the largest Kansas attractions, museums and zoos for Kansas residents with students enrolled in pre-kindergarten through 12th grade. This is the fifth year and because the legislature allocated much less money, it will run only Sat., July 12 – Sun., August 3!
